Group Art :

Examiner :

Our Docket : TAI 3L6

RECEIVED

MAY 29 2001

TECH CENTER 1800/2900

Commissioner of Patents
Washington, D.C. 20231

Sir:

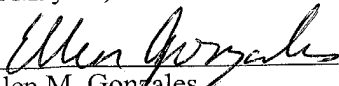

RESPONSE

In response to the communication from the Examiner dated May 8, 2001 (paper #4), applicants submit a substitute computer readable form (CRF) of the original sequence listing. Applicants further submit a paper print out of the substitute CRF. Applicants assert that the substitute CRF contains only those sequences included in the original filing and does not contain new matter.

Respectfully submitted,

CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner of Patents, Washington, D.C. 20231, on May 21, 2001.
